## Warranty Policy

AQUASEPT LLC warrants that the AquaSept™/AquaFit™ branded products sold will be free from defects in material and workmanship under normal use and service for a period of one year from the date of invoice. Warranty includes parts and labor. Shipping costs are excluded. After examination by AQUASEPT LLC, if the Product is found to be defective during the applicable warranty period, AQUASEPT LLC shall correct any such defect either, at Company's option (a) by repairing, adjusting, or replacing any defective or non-conforming product, or defective or damaged part or parts of the Product or (b) by making available at the place of installation any necessary repaired or replacement parts.

Unless expressly otherwise agreed, AQUASEPT LLC is not obliged to carry out dismantling or re-installation of any part. Any defects in a repaired or replaced part shall be covered to the extent of the unexpired term of the original warranty period. Warranty does not cover consumable parts, or normal wear parts, or any goods that have been supplied by any other company than AQUASEPT LLC.

### Limitation of Liability

AQUASEPT LLC shall be liable under this warranty only for defects that appear under normal conditions of operation and proper use. AQUASEPT LLC shall not take any responsibility whatsoever for the Product if stored or moved carelessly; tampered with, altered or misused; or excessively used. In addition, if the Product has been installed, serviced or repaired by anyone other than an authorized service provider or AQUASEPT LLC, any defects caused or contributed to the Product by these unauthorized parties will void this warranty. The warranty does not cover defects due to accidents or causes arising after title has passed to the Buyer.

AQUASEPT LLC shall not be liable for any loss of use, revenue or anticipated profits, or for any indirect or consequential damages arising out of, or in connection with, the sales or use of the Product. No agent, distributor, dealer or other party is authorized to make any warranty on behalf of AQUASEPT LLC or to assume for AQUASEPT LLC any other liability with respect to its products.
